

RED list of Drugs for HERPC

Some Drugs have more than one traffic light classification. Please check the Joint formulary for more

For a comprehensive list of Medicines directly commissioned by NHS England follow the link below

<https://www.england.nhs.uk/publication/nhs-england-drugs-list/>

Drug	Indication / Specialty	Commissioned by	Comments
Abacavir	HIV infection	NHS England	
Abacavir & Lamivudine	HIV infection	NHS England	
Abacavir/Lamivudine/Zidovudine	HIV infection	NHS England	
Abatacept	Juvenile arthritis	NHS England	
Abatacept	Paediatric indications where adult TA available	NHS England	
Abatacept	Rheumatoid arthritis in adults	CCG	
Abemaciclib	Cancer services	NHS England	
Abiraterone	Cancer services	NHS England and CDF	
Acarizax	Immunology	CCG	
Acetylcysteine	Respiratory medicine	NHS England	
Acitretin	Psoriasis	CCG	
Adalimumab	Dermatology in adults	CCG	
Adalimumab	Gastroenterology in adults	CCG	
Adalimumab	Hidradenitis Suppurativa	NHS England - requires IFR	
Adalimumab	Juvenile arthritis	NHS England	
Adalimumab	Paediatric indications where adult TA available	NHS England	
Adalimumab	Rheumatology in adults	CCG	
Adalimumab	Uveitis	NHS England - requires IFR	
Adcortyl in Orabase	ENT - unlicensed	CCG	
Adefovir Dipivoxil	Hepatitis B	NHS England - requires IFR	
Afatinib	Cancer services	NHS England	
Aflibercept	Cancer services	CDF	
Aflibercept	Ophthalmology	CCG	
Alcohol 18% Eye Application	Ophthalmology	CCG	
Aldesleukin	Cancer services	NHS England	
Alemtuzumab	Cancer services	NHS England	
Alemtuzumab	Multiple sclerosis	NHS England	
Alemtuzumab	Pre-transplant immunosuppression	NHS England	
Alteplase(Actilyse Cathflo) Inj	Antithrombotic	NHS England	
Alirocumab	Hypercholesterolaemia		
Alglucosidase Alfa	Metabolic disorders	NHS England	
Alitretinoin	Severe chronic hand eczema	CCG	
Alpelisib	Oncology	NHS England	
Ambrisentan	Pulmonary Arterial Hypertension	NHS England	
Amifampridine	Lambert-Eaton myasthenic syndrome	NHS England - requires IFR	
Amikacin (liposomal) nebuliser	Lung infection due to mycobacterium avium complex	NHS England	
5-Aminolevulinic Acid	Facilitate resection of malignant gliomas	CCG	
Amphotericin eye drops	Ophthalmology	CCG	
Amphotericin liposomal	Intravenous antifungal	NHS England	
Amsacrine	Cancer services	NHS England	
Anagrelide Hydrochloride	Platelet disorders	CCG	
Anakinra	Paediatric indications	NHS England - requires IFR	
Anakinra	Rheumatology adult	CCG - requires IFR	
Anidulafungin	Antifungal drugs	NHS England	
Antilymphocyte globulin	Aplastic anaemia / organ transplant	NHS England	
Apalutamide	Cancer services	NHS England	
Apraclonidine eye drops	Peri-operative use	CCG	
Apremilast	Dermatology in adults	CCG	
Apremilast	Rheumatology in adults	CCG	
Aprepitant	Chemotherapy associated nausea and vomiting	NHS England	
Aprotonin	CABG surgery/unlicensed use in other cardiac surgery	CCG	
Argatroban Injection		CCG	
Arsenic	Proctitis (acetarsol unlicensed list)	CCG	

Artesunate	Treatment of malaria	CCG	
Artemether with lumefantrine	Treatment of malaria	CCG	
Asenapine	Treatment of mania	CCG	
Asciminib	Haematology	NHS England	
Atavaquone	Pneumocystis carinii	CCG	
Atazanavir	HIV infection	NHS England	
Atazanavir/Cobicistat	HIV infection	NHS England	
Atezolizumab	Cancer services	NHS England	
Avapritinib	Cancer services	NHS England	
Avelumab	Cancer services	NHS England	
Avatrombopag	Primary chronic immune thrombocytopenia	ICS	
Avacopan	Severe Active granulomatosis with polyangiitis (GPA)	NHS England	
Axitinib	Cancer services	CDF	
Azacitidine (IV and oral)	Cancer services	NHS England	
Aztreonam infusion	Cystic fibrosis	NHS England	
Aztreonam Lysine	Cystic fibrosis	NHS England	
Bacillus Calmette-Guerin (B.C.G.)	Respiratory Medicine	CCG	
Baricitinib	Rheumatoid arthritis in adults	CCG	
Belimumab	SLE	NHS England - requires IFR	
Bempedoic Acid	Cardiology	CCG	
Bendamustine	Cancer services	NHS England and CDF	
Benzbromarone	Rheumatology	CCG	
Benralizumab	Eosinophilic Asthma	NHS England	
Benzylpenicillin eye drops	Eye infection - unlicensed	CCG	
Betaine Anhydrous	Homocystinuria	NHS England	
Bevacizumab	Cancer services	CDF	
Bevacizumab	Neurofibromatosis	NHS England	
Bevacizumab	Ophthalmology	CCG	
Bexarotene	Cancer services	NHS England	
Bictegravir/Emtricitabine/Tenofovir	HIV infection	NHS England	
Bimekizumab	Dermatology in adults	CCG	
Bleomycin	Cancer services	NHS England	
Blu Patent V PFS	Surgery	CCG	
Boceprevir	Hepatitis C	NHS England	
Bortezomib	Cancer services	NHS England and CDF	
Bosentan	Digital ulcers	NHS England - requires IFR	
Bosentan	Pulmonary Arterial Hypertension	NHS England	
Bosutinib	Cancer services	CDF	
Botulinum Toxin Type A	Chronic migraine	CCG	
Botulinum Toxin Type A	Focal spasticity in adults	CCG	
Botulinum Toxin Type A	Focal spasticity in children	NHS England	
Botulinum Toxin Type A	Hyperhydrosis	CCG	
Botulinum Toxin Type A	Intravesical use in spinal cord injury	NHS England - requires IFR for new patients	
Botulinum Toxin Type A	Urology indications	CCG	
Botulinum Toxin Type A	Sialhorrea		
Brentuximab	Cancer services	NHS England	
Brigataniab	Cancer services	NHS England	
Brimetanib	Cancer services	NHS England	
Brodalumab	Dermatology	CCG	
Brolucizumab	Ophthalmology	CCG	
Budesonide Orodyspersible Tablet	Gastroenterology	CCG	Remission of eosinophilic oesophagitis only
Busulfan	Cancer services	NHS England	
Bulevirtide	Infectious diseases	NHS England	TA896
C1-Esterase Inhibitor	Hereditary angioedema - acute treatment	NHS England	
Cabazitaxel	Cancer services	CDF	
Cabotegravir	HIV infection	NHS England	TA757
Cabozantinib	Cancer services	NHS England	
Calcitonin (salmon)	Endocrinology indications	CCG	
Calcitonin (salmon)	Hypercalcaemia of malignancy	NHS England	
Calcium folinate	Supportive treatments for chemotherapy	CCG	
Calcium folinate	Supportive treatments for chemotherapy	NHS England	
Cannabidiol Oral Suspension	Epilepsy that has proven intractable to conventional treatment	NHS England	
Cantharone and Cantharone Plus	Removal of Warts		
Capecitabine	Cancer services	NHS England	
Caphosol	Cancer services	NHS England	

Capreomycin	Infectious diseases/TB	NHS England	
Carboplatin	Cancer services	NHS England	
Carfilzomib	Cancer services	NHS England	
Carmustine	Cancer services	NHS England	
Carnitine	Metabolic disorders	NHS England	
Casirivimab/Imdevimab	Infectious Diseases	NHS England	
Caspofungin	Intravenous antifungal	NHS England	
Cefazolin	Infectious Diseases	CCG	
Cefiderocol	Infectious Diseases	ICS	
Cefotaxime infusion	Cystic fibrosis	NHS England - requires IFR	
Ceftazidime infusion	Bronchiectasis	CCG - requires IFR	
Ceftazidime-Avibactam Infusion (Zavicefta)	Antibiotic	NHS England	
Ceftazidime infusion	Cystic fibrosis	NHS England - requires IFR	
Cemiplimab	Cancer services	NHS England	TA592
Ceftolazone/Tazobactam		ICS	
Certolizumab Pegol	Paediatric indication	NHS England - requires IFR	
Certolizumab Pegol	Psoriatic arthritis	CCG	
Certolizumab Pegol	Rheumatoid arthritis in adults	CCG	
Certolizumab Pegol	Plaque Psoriasis	CCG	
Cetuximab	Cancer services	NHS England and CDF	
Chemotherapy	Cancer services - not specifically listed	NHS England and CDF	
Chlorambucil	Cancer services	NHS England	
Chlorhexidine eye drops	Eye infection - unlicensed	CCG	
Chloroquine		CCG	
Chlortetracycline eye ointment	Eye infection - unlicensed	CCG	
Chorionic Gonadotrophin	Fertility services	CCG	
Cidofovir	Cytomegalovirus	NHS England	
Cipaglucosidase alfa	Pompe disease	NHS England	TA912
Cisplatin	Cancer services	NHS England	
Cladribine	Relapsing -remitting MS	NHS England	
Cladribine	Cancer services	NHS England	
Clofarabine	Cancer services	CDF	
Clomethiazole	Alcohol dependence	Public health	
Clomifene Citrate	Fertility services	CCG	
Clonidine patches	Dystonia in paediatrics - unlicensed	CCG	
Clotrimazole eye drops	Eye infection - unlicensed	CCG	
Clozapine	Mental health	CCG	
Co-careldopa intestinal gel	Parkinson's disease	NHS England	
Colestilan	Renal dialysis patients	NHS England	
Colistimethate sodium	Bronchiectasis	CCG	
Colistimethate sodium	Cystic fibrosis	NHS England	
Collagenase Clostridium Histolyticum	Dupuytren's Contracture	CCG	
Corticotropin Releasing Hormone	Endocrinology	CCG	
Crizanulizumab	Sickle cell disease	NHS England	
Crizotinib	Cancer services	CDF	
Cyclophosphamide	Cancer services	NHS England	
Cyclophosphamide	Immunosuppression	CCG	
Cycloserine	Infectious diseases/TB	NHS England	
Cytarabine	Cancer services	NHS England	
Dabrafenib	Cancer services	CDF	
Dabrafenib / Trametinib	Cancer services	NHS England	
Dacarbazine	Cancer services	NHS England	
Daclatasvir	Hepatitis C	NHS England	
Daclizumab/Zinbryta 150mg Inj	Relapsing -remitting MS	NHS England	
Dactinomycin	Cancer services	NHS England	
Dalbavancin	Infectious Diseases	CCG	
Dapsone	As per licence	CCG	
Daranuvir/Cobicistat	HIV infection	NHS England	
Daratumumab	Cancer services	NHS England	
Darbepoetin	Cancer services	NHS England	
Darbepoetin	Chronic renal failure not dialysis	NHS England	
Darbepoetin	Dialysis-induced anaemia	NHS England	
Darolutamide	Cancer services	NHS England	
Darunavir	HIV infection	NHS England	
Dasatinib	Cancer services	CDF	
Daunorubicin	Cancer services	NHS England	
Deferasirox	Iron overload	NHS England	
Deferiprone	Iron overload	NHS England	
Denosumab (XGEVA)	Cancer services	NHS England	
Denosumab (Prolia)	Osteoporosis	CCG	Amber
Desferrioxamine Mesilate	Iron overload	NHS England	
Desmopressin injection	Diagnostic / haemophilia	CCG	
Descovy(Emtricitabine/Tenofovir Alafenamide)	HIV infection	NHS England	

Deucravacitinib	Dermatology	ICS	
Dexmetetomidine	Sedation in Critical care setting		
Dexamethasone intravitreal	Diabetic macular oedema	ICS	
Dexamethasone intravitreal	Macular oedema	CCG	
3,4 Diaminopyridine	Lambert-Eaton myasthenic syndrome	NHS England	
Diamorphine Nasal Spray	Acute pain in Paeds(Emergency)		
Diazoxide	Chronic hypoglycaemia - unlicensed	CCG	
Diclofenac suppositories	Short term post-operative use	CCG	
Diclofenac eye drops	Peri-operative use	CCG	
Didanosine	HIV infection	NHS England	
Difelikefalin	Moderate to severe pruritus in dialysis patients	NHS England	
Diloxanide	Amoebiasis	CCG	
Dimethyl fumarate	Multiple sclerosis	NHS England	
Dimethyl fumarate	Psoriasis	CCG	
Dinoprostone	Paediatrics	CCG	
Diphoterine Eye Irrigation Solution	Ophthalmology	CCG	
Diroximel fumarate	Neurology	NHS England	
Disodium folinate	Supportive treatments for chemotherapy	CCG	
Disodium folinate	Supportive treatments for chemotherapy	NHS England	
Disofrol	Chronic cough - unlicensed	CCG	
Docetaxel	Cancer services	NHS England	
Dolutegravir	HIV infection	NHS England	
Dolutegravir / Abacavir/Lamivudine	HIV infection	NHS England	
Dornase alfa			
Dolutegravir with Lamivudine (Dovato)	HIV Infection	NHS England	
Dornase alfa	Cystic fibrosis	NHS England	
Doravirine	HIV infection	NHS England	
Doravirine, tenofovir disoproxil, lamivudine (Delstringo)	HIV infection	NHS England	
Dostarlimab	Cancer services	NHS England	
Doxorubicin Hydrochloride	Cancer services	NHS England	
Doxorubicin Hydrochloride	Cancer services	NHS England	
Doxorubicin pegylated liposomal	Cancer services	NHS England and CDF	
Dronedarone	Arrhythmia	CCG	
Droperidol	Surgery	CCG	
Dupilumab	Severe Asthma with type 2 inflammation	NHS England	
Dupilumab	Severe Atopic dermatitis	NHS England	
Durvalumab	Cancer services	NHS England	
Ecuzumab	Atypical haemolytic uraemic syndrome	NHS England	
Ecuzumab	Paroxysmal nocturnal haemoglobinuria	NHS England	
Efavirenz	HIV infection	NHS England	
Eltrombopag	platelet disorders	CCG	
Elvitegravir/Cobicistat	HIV Infection	NHS England	
Elvitegravir with Cobicistat, Emtricitabine and Tenofovir (Stribild)	HIV infection	NHS England	
Emicizumab	Severe Haemophilia	NHS England	
Emtricitabine/Tenofovir/Alafenamide	HIV infection	NHS England	
Emtricitabine	HIV infection	NHS England - requires IFR	
Emtricitabine & Tenofovir Disoproxil (Truvada)	HIV infection	NHS England	
Emtricitabine with efavirenz and tenofovir (Atripla)	HIV infection	NHS England	
Emtricitabine with rilpivirin and tenofovir (Eviplera)	HIV infection	NHS England	
Encorafenib	Cancer services	NHS England	
Enfuvirtide	HIV infection	NHS England	
Entecavir	Hepatitis B	NHS England	
Entrectinib	Cancer services	NHS England	
Enzalutamide	Cancer services	NHS England	
Epclusa (Sofosbuvir/Velpatavir)	Chronic Hepatitis C	NHS England	
Epirubicin Hydrochloride	Cancer services	NHS England	
Epoetin	Chronic renal failure not dialysis	CCG	
Epoetin	Dialysis-induced anaemia	NHS England	
EpoprostenolSodium	Pulmonary Arterial Hypertension	NHS England	
Eptinezumab	Preventing migraine	ICS	
Eptotermin	Bone morphogenetic protein - Complex spinal surgery	NHS England - requires IFR	

TA751

Eptotermin	Bone morphogenetic protein - unhealing fracture	CCG - requires IFR	
Erenumab	Neurology	CCG	
Eribulin	Cancer services	CDF	
Erlotinib	Cancer services	CDF	
Estramustine Phosphate	Cancer services	NHS England	
Etacalcetide Injection	Secondary hyperparathyroidism	NHS England	
Etanercept	Dermatology in adults	CCG	
Etanercept	Juvenile arthritis	NHS England	
Etanercept	Paediatric indications where adult TA available	NHS England	
Etanercept	rheumatology in adults	CCG	
Etrasimod	Ulcerative Colitis	ICS/NHS England dependant on age of patient	TA956
Ethambutol Hydrochloride	TB	CCG	
Ethionamide	TB	CCG - requires IFR	
Etoposide	Cancer services	NHS England	
Etravirine	HIV infection	NHS England	
Everolimus	Cancer services	CDF	
Everolimus	Transplant immunosuppression	NHS England - requires IFR	
Everolimus	Renal angiomyolipoma	NHS England - requires IFR	
Everolimus	Tubular sclerosis	NHS England - requires IFR	
Evolocumab	Hypercholesterolaemia	CCG	
Ferraccru(Ferric Maltol)			
Fenfluramine	Neurology	NHS England	
Filgotinib	Rheumatology	CCG	
Filgotinib	Gastroenterology in adults	CCG	
Filgrastim	neutropenia	NHS England	
Fingolimod	Multiple sclerosis	NHS England	
Flamigel	Radiotherapy	CCG	
Flamigel Hydro	Radiotherapy	CCG	
Fludarabine Phosphate	Cancer services	NHS England	
Flunarizine	Migraine	CCG	
Fluocinolone intravitreal	Ophthalmology	CCG	
Fluouracil	Cancer services	NHS England	
Fluorescein IV for oral use	Ophthalmology	CCG	
Fluticasone Furoate/Vilanterol(Relvar)		ICS	
Follitropin Alfa	Fertility services	CCG	
Fomepizole	Ethylene glycol and methanol poisoning	CCG	
Fostlevodpa-Foscarbidopa	Parkinsons Disease	NHS England	
Fosamprenavir	HIV infection	NHS England	
Foscarnet cream	Herpes simplex resistant to aciclovir	CCG	
Foscarnet infusion	Cytomegalovirus	NHS England	
Fosfomycin (IV only)	ESBL	CCG	
Fostamatinib	Chronic ITP	ICS	
Fostemsavir	Infectious Diseases	NHS England	
Fremanezumab	Neurology	NHS England	
Pure Fructose(Hydrogen Breath Test)	Fructose Intolerent Test	NHS England	
Galcanezumab	Neurology	CCG	
Ganciclovir	Cytomegalovirus	NHS England	
Ganciclovir eye drops	Ophthalmology	CCG	
Gefitinib	Cancer services	NHS England	
Gemcitabine	Cancer services	NHS England	
Gemtuzumab ozogamicin	Cancer services	NHS England	
Gilteritinib	Cancer services	NHS England	
Glatiramer Acetate	Multiple sclerosis	NHS England	
Glucarpidase	Methotrexate overdose due to medication error in secondary care	NHS England / CCG	
Glucarpidase	Methotrexate overdose originating in primary care	CCG -requires IFR	
Glucarpidase	Methotrexate toxicity in secondary care	NHS England	
Glycopyrronium injection	Palliative care	CCG	
Golimumab	Gastroenterology in adults	CCG	
Golimumab	Rheumatology	CCG	
Gonadorelin	hypothalamic hormones investigative use	CCG	
Granisetron	Chemotherapy associated nausea and vomiting	NHS England	
Granulocyte-macrophage colony-stimulating factor	neutropenia	NHS England - requires IFR	
Guselkumab	severe plaque psoriasis	NHS England	

Guselkumab	Psoriatic arthritis	ICS	
Homatropine	Ophthalmology	CCG	
Humulin R insulin	Diabetes mellitus - unlicensed	CCG	
Hyaluronidase	Peri-operative use	CCG	
Hydrocortisone MR	Paediatric endocrinology	ICS	
Hydroxycarbamide	Cancer services	NHS England	
Hydroxycarbamide	Polycythaemia	CCG	
Hydroxycarbamide	Sickle cell disease	NHS England	
Hydroxypropyl cellulose ophthalmic strips	Ophthalmology	CCG - requires IFR	
Ibandronic acid IV only	Endocrinology	CCG	
Ibandronic Acid	Hypercalcaemia of malignancy	CCG	
Ibuprofen IV only	Post operative pain relief	ICS	
Ibrutinib	Cancer services	NHS England	
Icatibant	Hereditary angioedema - acute treatment	NHS England	
Idarubicin Hydrochloride	Cancer services	NHS England	
Idarucizumab	Haematology	CCG	
	for slowing the decline of respiratory function, in patients with Duchenne Muscular Dystrophy	NHS England	
Idebenone	Muscular Dystrophy	NHS England	
Ifosfamide	Cancer services	NHS England	
Iloprost	Pulmonary Arterial Hypertension	NHS England	
Iloprost	Rheumatology indication	CCG	
Iloprost	Vascular indications	CCG	
Imatinib Mesilate	Cancer services	NHS England and CDF	
Imatinib Mesilate	Graft versus host disease	NHS England - requires IFR	
Indinavir	HIV infection	NHS England	
Infliximab	Crohn's disease in children	NHS England	
Infliximab	Dermatology in adults	CCG	
Infliximab	Gastroenterology in adults	CCG	
Infliximab	Hidradenitis Suppurativa	NHS England - requires IFR	
Infliximab	Interstitial lung disease	NHS England - requires IFR	
Infliximab	Paediatric indications in children	NHS England	
Infliximab	Renal	NHS England - requires IFR	
Infliximab	Rheumatology in adults	CCG	
Infliximab	Sarcoidosis	NHS England - requires IFR	
Infliximab	Uveitis	NHS England - requires IFR	
Interferon Alpha	Hepatitis B and C	NHS England	
Interferon Beta	Multiple sclerosis	NHS England	
Intravenous drugs not specifically listed in this table are considered Red, within Tariff unless recommended for non-specialist use in specific			
Iodine Oral Solution (Lugol's)	Thyroid surgery	CCG	
Ipilimumab	Cancer services	NHS England	
Ibrutinib	Cancer services	NHS England	
Irinotecan Hydrochloride	Cancer services	NHS England	
Iron dextran	Iron deficiency anaemia	CCG	
Iron isomaltoside	Iron deficiency anaemia	CCG	
Iron isomaltoside	Iron deficiency anaemia	CCG	
Iron sucrose complex	Iron deficiency anaemia	CCG	
Isavuconazole	Invasive Aspergillosis/Mucromycosis	NHS England	
Isoniazid	TB	CCG	
Isotretinoin	Acne	CCG	
Ivacaftor	CF with G551D gene mutation	NHS England	
Ivermectin	Parasitocidal prep	CCG	
Ixazomib	Cancer services	NHS England	
Ixekizumab (Talz) Pre filled syringe			
Ketamine Hydrochloride	Chronic pain	CCG - IFR only	
Ketamine Hydrochloride	Palliative care	CCG	
Iabinic Liquid	Prevention of Necrotizing Enterocolitis	NHS England	
Lamivudine	Hepatitis B	NHS England	
Lamivudine	HIV infection	NHS England	
Lamivudine & Zidovudine	HIV infection	NHS England	
Lanadelumab	Hereditary angioedema	NHS England	
Lanreotide	Cancer services and Endocrinology Services	NHS England	
Lapatinib	Cancer services	CDF	
LAT Gel	Emergency Dept		
L-carnitine	Carnitine deficiency	NHS England	
Lenalidomide	Cancer services	NHS England and CDF	
Lenograstim	neutropenia	NHS England	
Lenvatinib	Cancer services	NHS England	
Letermovir	Cytomegalovirus	NHS England	
Levamisole	Anthelmintic	CCG	

TA606
High output stoma AMBER
SCF

Levofloxacin	Antibiotic	NHS England	
Linezolid	Antibiotic	CCG	
Liposomal Cytarabine-Daunorubicin	Cancer services	NHS England	TA552
Lomustine	Cancer services	NHS England	
Lopinavir & Ritonavir	HIV infection	NHS England	
Lorlatinib	Cancer services	NHS England	TA628
Lumacaftor-Ivacaftor	Cystic fibrosis	NHS England	
Macitentan	Pulmonary Arterial Hypertension	NHS England	
Mannitol	Cystic fibrosis	NHS England	
Maraviroc	HIV infection	NHS England	
Maribavir	Cytomegalovirus	NHS England	TA860
Mavacamten	Cardiology	NHS England	TA913
Melphalan	Cancer services	NHS England	
Mepolizumab/Nucala Injection	Severe refractory eosinophilic Asthma	NHS England	
Mepacrine	Rheumatology - unlicensed	CCG	
Meropenem infusion	Bronchiectasis	CCG - requires IFR	
Meropenem infusion	Cystic fibrosis	NHS England - requires iFR	
Mesna	Supportive treatments for chemotherapy	CCG	
Mesna	Supportive treatments for chemotherapy	CCG	
Mesna	Supportive treatments for chemotherapy	NHS England	
Methotrexate	Cancer services	NHS England	
Methotrexate	Immunotherapy	CCG	Oral Amber
Methoxyflurane	Gynaecology	ICS	
Methoxypsoralen	PUVA	CCG	
Methyl-5-aminolevulinate	actinic keratosis	CCG	
Methyl-5-aminolevulinate	Basal cell carcinoma	CCG	
Methysergide	Migraine - unlicensed	CCG	
Metolazone	Loop diuretic - unlicensed	CCG	
Mexiletine	arrhythmia	CCG	
Midazolam Unlicensed Liquid	Paediatrics	CCG	
Midostaurin	Cancer services	NHS England	
Miglustat	Pompe disease	NHS England	
Misoprostol (Angusta®)	Induction of labour	CCG	
Mitomycin	Cancer services	NHS England	
Mitotane	Cancer services	NHS England	
Mitoxantrone	Cancer services	NHS England	
Mobocertinib	Cancer services	NHS England	
Modafanil	Unlicensed indications	CCG	
Mogamulizumab	Cancer services	NHS England	
Morphine hydrochloride trihydrate (Sendolor®)	Pain management	ICS	
Morphine Sulphate Oral Solution (100microg/ml)	Paediatrics	ICS	
Nabilone	Chronic pain	CCG	
Nalmefene	Alcohol dependence	Public health	
Naltrexone	Alcohol dependence	Public Health	
Natalizumab	Multiple sclerosis	NHS England	
Natamycin Eye Drops	Ophthalmology	CCG	
Nelarabine	Cancer services	CDF	
Nelfinavir	HIV infection	NHS England	
Nevirapine	HIV infection	NHS England	
Nicardipine Hydrochloride Inj			
Nilotinib	Cancer services	NHS England and CDF	
Nimodipine	Subarachnoid haemorrhage	CCG	
Nintedanib	idiopathic pulmonary fibrosis	NHS England	
Niraparib (Zejula) 100mg Capsules	Cancer services	NHS England	
Nitric oxide	Pulmonary Arterial Hypertension	NHS England	
Nivolumab	Cancer services	NHS England	
Obeticholic Acid (Ocaliva) Capsules	Primary biliary cholangitis		
Normal Immunoglobulin (Gamma Globulin)	Immunological products	NHS England	
Obinutuzumab	Cancer services	NHS England	
Odefsey(Rilpivirine/Emtricitabine/Tenofovir)	HIV infection	NHS England	
Ocrelizumab	MS	NHS England	
Ocriplasmin	Vitreomacular traction	CCG	
Octreotide	Cancer services and Endocrinology		
Ofatumumab	Services	NHS England	Amber SCF for high output stoma
Ofatumumab (Kesimpta)	Cancer services	CDF	
Ofloxacin	Neurology	NHSE	
Ofloxacin	(oral & IV)	CCG	Blue for formulary indications
Olaparib	Cancer services	NHS England	
Olaratumab (Lartruvo) infusion	Soft tissue carcinoma	NHS England	
Omalizumab	Asthma	NHS England	
Omalizumab	Chronic spontaneous urticaria	CCG	
Oxaliplatin	Cancer services	NHS England	

Ozanimod	Gastroenterology	ICS
Paclitaxel	Cancer services	NHS England
Paclitaxel albumin bound	Cancer services	CDF
Palivizumab	RSV prophylaxis	NHS England
Palbociclib Capsules	Oncology	NHS England
Pamidronate	Cancer services	NHS England
Pamidronate	Paget's Disease	CCG
Panitumumab	Cancer services	CDF
Panobinostat	Cancer services	NHS England
Papaverine	Erectile dysfunction - unlicensed	CCG
Parenteral nutrition	Intestinal failure; inadequate/unsafe enteral feeding	NHS England
Paricalcitol	Secondary hyperparathyroidism	NHS England
Pasireotide	Cushing's Disease	NHS England - requires IFR
Pazopanib	Cancer services	NHS England
Pazopanib	Cancer services	NHS England and CDF
Pegaptanib Sodium	Ophthalmology	CCG - requires IFR
Pegfilgrastim	neutropenia	NHS England - requires IFR
Peginterferon Alpha	Hepatitis B and C	NHS England
Peginterferon beta-1a	Multiple sclerosis	NHS England - requires IFR
	Third-line treatment for adults with acromegaly, following a pituitary MDT meeting	NHS England
Pegvisomant		
Pemetrexed	Cancer services	NHS England and CDF
Pemigatanib	Cancer services	NHS England
Pembrolizumab	Cancer services	NHS England
Pentosan Polysulphate Sodium	Interstitial cystitis	CCG
Pentostatin	Cancer services	NHS England
Pentoxyfilline	Immunology indications (unlicensed)	CCG
	Gastroenterology indications (unlicensed)	CCG
Pentoxyfilline		
Peptide receptor radionucleotide therapy	Cancer services	CDF
Pertuzumab	Cancer services	CDF
Pharmalgen	Immunology indications	NHS England
Phenoxybenzamine	Phaeochromocytoma - unlicensed	CCG
Phentolamine	Erectile dysfunction - unlicensed	CCG
Phenylbutazone	Ankylosing spondylitis - unlicensed	CCG
Piperacillin / Tazobactam infusion	Bronchiectasis	CCG - requires IFR
Piperacillin / Tazobactam infusion	Cystic fibrosis	NHS England - requires IFR
Pirfenidone	idiopathic pulmonary fibrosis	NHS England
Plenvu	Bowel Screening	CCG
Polaztuzumab vedotin	Cancer services	NHS England
Polihexanide eye drops	Ophthalmology	CCG
Pollinex Quatro	Immunology	NHS England
Pomalidomide	Cancer services	CDF
Ponatinib	Cancer services	CDF
Ponesimod	Multiple sclerosis	NHS England
Poractant alfa	Respiratory distress syndrome	NHS England
Posaconazole	Antifungal drugs	NHS England
Potassium ascorbate eye drops	Peri-operative use	CCG
Povidone iodine eye drops	Peri-operative use	CCG
Praziquantel	Antihelmintic	CCG
Primaquine	Treatment of malaria	CCG
Pristinamycin	ID	CCG
Probenecid	Hyperuricaemia - unlicensed	CCG
Procarbazine Hydrochloride	Cancer services	NHS England
Progesterone, micronized) vaginal capsules (Utrogestan®)	Prevention of miscarriage	CCG
Proguanil with atavaquone	Treatment of malaria	CCG
Propamide eye drops	Ophthalmology	CCG
Protirelin	hypothalamic hormones	CCG
Pyrazinamide	TB	CCG
Pyridoxine SF liquid	TB	CCG
Pyrimethamine	Malaria / toxoplasmosis	CCG
Pyrimethamine	TB	CCG
Quinine	Treatment of malaria	CCG
Radium-223 Dichloride	Cancer services	CDF
Raltegravir	HIV infection	NHS England
Raltitrexed	Cancer services	NHS England
Ranibizumab	Ophthalmology	CCG
Rasburicase	Hyperuricaemia	NHS England
Regorafenib	Gastrointestinal stromal tumours	NHS England

Remdesivir	Infectious Diseases	NHS England	
Reslizumab Injection	Respiratory	NHS England	
Ribavirin	Hepatitis C	NHS England	
Rifabutin	TB	CCG	
Rifampicin	TB	CCG	
Rifampicin Combined Preparations	TB	CCG	
Rifaximin	Immunology	CCG	
Rifaximin	Hepatic Encephalopathy	CCG	Guideline led Blue
Rilpivirine	HIV infection	NHS England	
Riociguat	Pulmonary Hypertension	NHS England	
Risankizumab	Dermatology in adults	CCG	
Ritonavir	HIV infection	NHS England	
Rituximab	ABO-incompatible kidney transplants	NHS England	
Rituximab	ANCA - positive vasculitis	NHS England	
Rituximab	Cancer services	NHS England	
Rituximab	Graft versus host disease	NHS England	
Rituximab	Haemophilia	NHS England - requires IFR	
Rituximab	Idiopathic Membranous		
Rituximab	Glomerulonephritis	NHS England	
Rituximab	Interstitial lung disease	NHS England - requires IFR	
Rituximab	Myositis	NHS England - requires IFR	
Rituximab	Nephritis	NHS England - requires IFR	
Rituximab	Neuromyelitis optica	NHS England	
Rituximab	Paediatric indications where adult TA available	NHS England	
Rituximab	Rheumatoid arthritis in adults	CCG	
Rituximab	SLE	NHS England	
Romiplostim	platelet disorders	CCG	
Romosozumab	Endocrinology	ICS	
Ruxolitinib	Cancer services	CDF	
Safinamide	Parkinsons Disease	CCG	
Sarilumab	Rheumatoid arthritis in adults	CCG	
Saquinavir Mesylate	HIV infection	NHS England	
Sativex	Spasticity associated with multiple sclerosis	ICS	
Secukinumab	Dermatology in adults	CCG	
Selexipag	PAH	NHS England	
Selinexor	Cancer services	NHS England	
Selpercatinib	Oncology	NHS England	
Sermorelin Acetate	hypthalamic hormones specialist investigation	CCG	
Sertindole	antipsychotic - unlicensed	CCG	
Sildenafil	Pulmonary Arterial Hypertension	NHS England	
Simeprevir	Hepatitis C	NHS England	
Siponimod	Neurology	NHS England	
Sodium chloride 7% nebulised solution	Cystic fibrosis	CCG	
Sodium chloride oral solution	Hyponatraemia -unlicensed	CCG	
Sodium clodronate	Cancer services	NHS England	
Sodium oxybate	Narcolepsy	NHS England - Paediatric only	
Sodium phosphate oral solution	Hypophosphataemia - unlicensed	CCG	
Sodium Zirconium	Hyperkaleamia	CCG	
Sofosbuvir	hepatitis C	NHS England	
Sofosbuvir with Daclatasvir/Ledipasvir Hepatitis C	hepatitis C	NHS England	
Sofosbuvir/Valpatasvir/ Voxilaprevir (Vosevi)	Hepatitis C	NHS England	
Solriamfentol	Excessive daytime sleepiness caused by narcolepsy	ICS	
Somatropin	growth hormone	CCG	
Somatrogon	growth hormone	ICS	
Sorafenib	Cancer services	CDF	
Sotrovimab	Covid-19	ICS	
Stavudine	HIV infection	NHS England	
Stiripentol	Paediatric and adult neurology	CCG	
Streptomycin	TB	CCG	
Sunitinib	Cancer services	NHS England and CDF	
Tacrolimus suppositories	Inflamatory bowel disease	CCG	
Tadalafil	Pulmonary Arterial Hypertension	NHS England	
Tafamadis	Cardiac Transthyretin Amyloidosis	NHS England	
Taurolack		NHS England	
Tebentafusp	Ciliary body melanoma	NHS England	
Tegafur with uracil	Cancer services	NHS England	
Tegafur/Gimeracil/Oteracil	Cancer services	NHS England	
Teicoplanin infusion	Cystic fibrosis	NHS England - requires IFR	
Telaprevir	hepatitis C	NHS England	

Temozolamide	Cancer services	NHS England	
Temozolomide	Endocrinology	NHS England - requires IFR	
Temsirolimus	Cancer services	CDF	
Tenecteplase	Stroke services	ICS	
Tenofovir Disoproxil	Hepatis B	NHS England	
Tenofovir Disoproxil	HIV infection	NHS England	
Teriflunomide	Multiple sclerosis	NHS England	
Teriparatide	osteoporosis	CCG	
Tetracosactide	anterior pituitary hormone	CCG	
Tezacaftor/Ivacaftor	Cystic fibrosis	NHS England	
Tezacaftor/Ivacaftor/Elexacaftor	Cystic fibrosis	NHS England	
Tezepelumab	Severe asthma	NHS England	
Thalidomide	Cancer services	NHS England	
Thalidomide	Chronic cough - unlicensed	CCG - requires IFR	
Thalidomide	Nodular Prurigo	CCG - requires IFR	
Theobromine	Chronic cough - unlicensed	CCG	
Thyrotrophin	hypothalamic and pituitary hormones	CCG	
Tiabendazole	Antihelmintic	CCG	
Tildrakizumab	Plaque Psoriasis	CCG	
Tinzaparin	Dialysis - prevention of clotting	NHS England	Other indications Blue
Tioguanine	Cancer services	NHS England	
Tipranavir	HIV infection	NHS England	
Tisseel	As per licence	CCG	
Tobramycin	Bronchiectasis	NHS England	
Tobramycin	Cystic fibrosis	NHS England	
Tocilizumab	Juvenile arthritis	NHS England	
Tocilizumab	Large cell vasculitis	NHS England - requires IFR	
Tocilizumab	Paediatric indications when adult TA available	NHS England	
Tocilizumab	Infectious Diseases	ICS	
Tocilizumab	Rheumatology in adults	CCG	
Tofacitinib	Ulcerative Colitis	CCG	
Tofacitinib (Xeljanz)	Severe Arthritis	NHS England	
Tolvaptan	Autosomal Dominant Polycystic Kidney Disease		
Tolvaptan	hyponatraemia	NHS England - requires IFR	
Topotecan	Cancer services	NHS England	
Trabectedin	Cancer services	NHS England	
Trametinib	Cancer services	NHS England	
Trastuzumab	Cancer services	NHS England	
Trastuzumab deruxtecan	Cancer services	NHS England	
Trastuzumab emtansine	Cancer services	NHS England	
Treosulfan	Cancer services	NHS England	
Tretinoin	Cancer services	NHS England	
Trifluothymidine eye drops	Eye infection - unlicensed	CCG	
Trimetinib with dabrafenib	Cancer services	NHS England	
Trifluridine–tipiracil	Oncology	NHS England	
Tropicamide/Phenylephrine/Lidocaine (Mydrane)	Ophthalmology	CCG	
Tucatinib	Oncology	NHS England	
Upadacitinib	Gastroenterology	ICS	
Upadacitinib	Rheumatology	CCG	
Uromune®	Infectious diseases	ICS	
Ustekinumab	Psoriasis	CCG	
Ustekinumab/Stellara Injection	IBD	ICS	
Valganciclovir	Cytomegalovirus	NHS England	
Vancomycin eye drops	Eye infection - unlicensed	CCG	
Vandetanib	Cancer services	NHS England	
Vedolizumab	Gastroenterology in adults	CCG	
Vemurafenib	Cancer services	NHS England	
Venetoclax	Cancer services	NHS England	
Vinblastine Sulphate	Cancer services	NHS England	
Vincristine Sulphate	Cancer services	NHS England	
Vindesine Sulphate	Cancer services	NHS England	
Vinorelbine	Cancer services	NHS England	
Vismodegib	Cancer services	NHS England	
Vitamin A oral solution	Vitamin deficiency	CCG	
Vonicog alfa	Haematology	NHS England	
Voriconazole	Antifungal drugs	NHS England	
Voriconazole	Chronic pulmonary aspergillosis	NHS England	
VSL#3	Treatment of pouchitis	CCG	
Zanubrutinib	Haematology	NHS England	
Zepatier(Elbasvir/Grazoprevir)	Chronic Hepatitis C	NHS England	
Zidovudine	HIV infection	NHS England	

Zoledronic Acid
Zoledronic Acid

Cancer services
Endocrinology

NHS England
CCG
